MEMORANDUM FOR ALL EMPLOYEES

SUBJECT: Commander's Policy on Disabled Veterans

1. All Americans owe a debt to our disabled veterans for the freedom and democracy which we enjoy today. Because of the sacrifices they have made for our country, these veterans have life-long disabilities.
2. It is the policy of the Rock Island District that all disabled veterans, whether job applicants or employees, be given all preference to which they are entitled, as established by the Veterans' Preference Act of 1944, as amended. This includes appropriate consideration of all disabled veterans for employment, advancement, and retention in the Rock Island District workforce.
3. As Commander, I recognize the contributions of all veterans to our freedom and democracy. I am firmly committed to the laws and policies pertaining to the employment, retention, and advancement of disabled veterans. I expect all CEMVR employees to lend their full support to these policies.
